
Environmental Policy Statement

The Company have agreed that environmental matters are to be recognised as a management responsibility, which shall be equal to that given to health and safety considerations. We recognise our responsibilities towards protecting and preserving the environment and will encourage all persons associated with their business activities to adopt a similar approach.

We will comply with all appropriate legal requirements. In the absence of legislation, we will undertake activities in a manner consistent with industrial practices to meet the highest standards through implementation of this Policy and the procedures contained herein. In particular, we will endeavour to:

- Pay close attention to the handling storage and transportation of substances or materials that may be hazardous to the environment;
- Pay particular attention to hazardous or harmful emissions such as fumes, noise and dust whilst carrying out our undertakings;
- Reduce, reuse or arrange for the careful disposal of wastes that may be produced during operations carried out by the Company;
- Conserve energy through minimising consumption and maximising efficiency;
- Continually develop an environmentally aware approach within the Company in order to play an important part in reducing the harm caused within the construction industry;
- Promote a sense of responsibility towards the environment by management and staff whilst carrying out their daily duties on behalf of the Company;
- Work alongside Clients and other contractors in fulfilling their legal obligations towards the environment;
- Seek to establish a solid relationship and co-operate fully with the relevant Statutory Undertakers i.e. Environment Agency and Local Authorities.

It is the duty of the Directors and Managers to implement the requirements of this policy document. Every contractor is required to take all reasonably practicable steps to ensure compliance with the procedures laid out in this document.

As CEO I will take responsibility for ensuring that this Policy and the procedures contained within are regularly reviewed. Subsequent amendments will be notified to all relevant employees by means of bulletins and toolbox talks.

The above policy is displayed on the premises in addition to its inclusion in this manual. The EMS Policy will be reviewed and updated each year to redirect our focus on aspects that are not yet under good control and to ensure the system stays appropriate to the size of our company and its activities. This will be available to the public on request. This is also available to persons working on our behalf and will be communicated to our clients.
