* Amadeo and Otello are embroidered with metal yarns containing pure silver that will tarnish with exposure to air. Over time the metal content will darken, giving a softly distressed colouring, though the rate and extent to which this may occur is dependent on climatic condition and is not possible to predict accurately. This is not a fault but a natural process, as the yarns gradually acquire a patina, imparting an elegant antique look.

GENERAL INFORMATION

All widths and pattern repeats are approximate, every stitch is sewn by hand and there can be a variance in measurements though we endeavor to ensure all patterns side match perfectly.

The maximum length that can be embroidered varies from design, but in general 3m or 4m is the optimum drop. Please advise the length of the embroidered drops required when ordering and then add on to this the amount of blank cloth that is required top and bottom to allow for turnings.

LEADTIMES

Leadtimes will be quoted on every order, though we try to work to 12 weeks, the length of time to create these beautiful fabrics is dependent on the quantity and the complexity of the design.

CUSTOMER'S OWN MATERIAL (COM)

We are happy to embroider on customer's own cloth (subject to suitability) but ask that an extra 20% of cloth is supplied over and beyond the expected finished meterage and that a further 2 drops are reserved with the ground cloth supplier until such times as the embroidery is complete. We consider the cloth supplied to be pre-inspected prior to arrival and Beaumont & Fletcher will not be considered liable for any flaws, damage or shortage on the cloth supplied. Beaumont & Fletcher are not liable for any duties or taxes payable against imported cloth, these charges are the client's responsibility.

MINIMUM ORDER QUANTITY

Please note that the minimum order quantity is 5m on the hand-embroidered fabrics.

CARRIAGE

Carriage and packing charges will be quoted for each individual order.

SPECIAL ORDERS

We are happy to discuss special colourings of embroidery and will produce a strike off for approval before commencing the design. The strike off will be charged for according to the complexity and amount of work involved. Please allow extra time for the development and approval of strike-offs.

DAMAGE OR SHORT DELIVERY

Must be notified in writing to us within 14 days of receipt.

COLOUR MATCHING

Beaumont & Fletcher cannot guarantee exact colour matching from samples, cuttings, pattern books etc. and if exact matching is required a cutting for approval should be requested.

TREATMENTS

No liability will be accepted for changes in appearance, performance, or defects in any of our fabrics, if they are treated after purchase, by spraying or processing of any kind, including flame proofing or the application of stain-repelling treatments.

DELIVERIES TO THIRD PARTIES

Where deliveries are made to third parties (curtain makers, upholsterers, decorators etc.) on the instructions of the customer, it is the customer's responsibility to ensure that the correct fabric is received. We advise that a sample is sent to the third party to enable verification when the goods are received. In the case of fabrics that are reversible, please indicate the correct face. We can accept no claims for any make-up or installation charges or replacement, where goods have not been verified.

PAYMENT

A non-refundable deposit of 50% of the value of the order will be required prior to the commencement of the hand-embroidery and the balance is payable prior to dispatch.
